1. Apologies

Apologies had been received from Cllr S Wright.

2. Chairman's Report

It was reported that the major event of the last year had been the Governance Review commenced in June 2018 by Slough BC further to which Slough BC had issued an Abolition Order in January 2019 to abolish the parish. This had been found unlawful by the High Court in April 2019 and the Abolition Order had been quashed. However the Governance Review had raised issues which the Council would address going forward.

3. Councillors' Comments

Cllr Murphy also noted the very successful Summer Celebration which had taken place over a weekend in June 2018. This had been well received by local people. Planning however for one this summer had been put on hold due to the Governance Review. Discussions for this year's event would be considered at the Annual Meeting of the Council which would follow this meeting.
